Thank you so much for reviewing  
Date Everything!

Date Everything brings an exciting  
new twist on the dating simulator  
genre. Your BFA in customer service  
unfortunately goes to waste as you  
lose your job to AI. But... a  
mysterious stranger sends a gift -  
magical glasses called 'dateviators'  
- which make your house come  
alive and dateable!

Each dateable object will open up,  
have their own stories and  
potentially become your lovers,  
friends, or enemies. With an  
exhaustive Who's Who of voice  
actors keeping you company on  
your journey!

## PREVIEW DETAILS

Your key grants you access to  
entirety of the game.

There are no extra branch steps  
needed.

## KNOWN ISSUES

We do not anticipate any  
issues will prevent you from  
enjoying the game but there  
will be some small fixes  
continuing closer to the launch  
date of June 17th.
